

**IRRIGATION UPGRADE
PURPOSE STATEMENT**

Site Name (Reference): _____

Business Name (Rebate Recipient): _____

Address: _____

Account Number(s): _____

Acreage (if available, include Shrub vs Turf acreage): _____

Applicant: _____

Applicant Phone Number: _____ Applicant E-mail: _____

Pleasanton’s Irrigation Upgrade program is designed to help improve the efficiency of existing irrigation systems. Customers who have a separate irrigation meter may qualify for rebates of 50 to 100 percent of the materials cost of installing water-efficient irrigation equipment. The goal is to optimize equipment performance by improving irrigation uniformity and lowering water delivery rates, resulting in shorter water times, less waste and lower water bills.

Reasons for Upgrade: _____

Scope of Work: _____

Projected Water Savings from System Upgrade: _____

Company Name (Applicant): _____

Print Applicant’s Name: _____

Date: _____

Signature of Applicant: _____

**Installation Certification Form
Commercial Irrigation Rebate Program**

(This form is mailed in upon completion of approved work.)

The irrigation system upgrades that were pre-approved by the City of Pleasanton have been installed in the landscaping system(s) irrigated by the following meter(s):
